

WATER METER EQUIPMENT REPLACEMENT COSTS FOR CUSTOMERS

Due to rising costs, as of June 19, 2025, the MTA Board approved a motion to establish customer replacement costs for the following metering equipment (Line Setter & PRV) in accordance with the Authority's Rules and Regulations and Service Agreements. The following equipment is available for purchase at the Authority office at the sale prices listed below. Equipment costs are subject to change annually based on the sale price provided by the Authority's equipment vendor.

*The Meter and Meter Transceiver Unit (MXU) is repaired and replaced by the Authority at no charge to customers; provided, however, any damage or neglect caused by Owner or Owner's agent shall be repaired or replaced at Owner's sole cost and expense

LINE SETTER	\$ 245.00
PRESSURE REDUCING VALVE (PRV)	\$ 120.00
*METER	\$ 185.00
*MXU	\$ 205.00

Acceptable forms of payment include checks & money orders.
CASH IS NOT ACCEPTED.
